Cases And Materials On Oil And Gas Law (American Casebook Series)

Synopsis

The authors have retained the basic structure of prior editions, but have further integrated implied covenants issues with express lease issues and conservation with pooling and unitization, as well as adding new cases and editing the old materials. The book includes environmental law materials in a separate chapter, reflecting the editors' view of their importance and adapting the book for use in an advanced course, as well as a basic course --This text refers to an out of print or unavailable edition of this title.
