Business Law: A Hands-On Approach

Synopsis

Business Law for Paralegals: A Hands-On Approach is a practical, application-oriented, business law text written specifically for the paralegal. Designed to meet the needs of todays paralegal student, the text demystifies the basics of contracts and UCC, and emphasizes the daily tasks and responsibilities of a paralegal involved in business law. The text includes significant cases and their relevance to the topics discussed; examples of business organizational documents from letters of intent to the exploration of typical contracts; practical assignments based on real world problems faced by business people and attorneys; and a step-by-step analysis of the creation of contracts and the common clauses contained in them. Learning features include numerous sidebars addressing a wide variety of issues; end-of-chapter exercises; "Business Case File", which provides profiles of various businesses and how they negotiate, buy, sell, and carry out daily activities; and "Help This Business", a tool which presents a wide variety of typical business problems and the legal methods used to address those problems. The only text of its kind available on the market, Business Law for Paralegals: A Hands-On Approach provides paralegal students with a solid foundation for entry into the arena of business law.

Customer Reviews

Easy to understand. I needed this book for graduate school and it met my expectations to the fullest. I ordered this book from Glenthebookseller and was happy with the prompt delivery.

I have this book in E-book form. It omits and skips some things leaving you looking for what you

need.Perhaps the hardbound copy does not

Even though this type of law can be a bit dry but the book is interesting book was in great condition I recommend the seller

I purchased this book for college it is an awesome good and easy to understand. It arrived in a timely fashion and in great condition

As advertised the book was in excellent condition and as far as the content it's a good book for Contract Law
