Paralegal Today: The Essentials

Synopsis

PARALEGAL TODAY: THE ESSENTIALS, Sixth Edition, provides readers with a concise introduction to the legal system through real-world examples, practical applications, ethical dilemmas, and hands-on activities. With its focus on the basic, key areas of paralegal studies, this book ensures that readers develop a comprehensive understanding of topics such as careers, legal ethics, litigation procedures, criminal law, legal research and analysis, legal writing, and ethical and professional responsibility. The Sixth Edition includes increased coverage of technology in the workplace, including critical topics such as confidentiality issues, e-mail policies, technology in the courtroom, and the use of social media in crime detection and enforcing delinquent court judgments. In addition, "Social Media Today" boxes explain how social media such as Twitter, Facebook, Google+, and LinkedIn can be used in the legal field.

This is a good textbook, however, in the class I'm currently in, I noticed it didn't follow the book the teacher as using. Some sections were 1 chapter in my book and 2 chapters in my teachers book. I was able to figure this out and go along with the class, until after chapter 12. You see, Chapter 12 is the end in this book, but the book my teacher has includes several more chapters. There is another version of this book, so the purpose of my review is so you don't get confused like me, make sure you're getting the right book.

The delivery company was awesome. They came and I was not home and I was needing the book

for next day and they came back just to provide my book. I will rate them 20 star

The text is easily comprehended and detailed. The Chapter Summary at the end of each chapter is one of my favorite things about this text.

great book, so much to learn cant wait to continue with the class and everything that goes with that all the interesting material

Really good book, well-written, easy to follow, very relevant material. I'll be holding on to this one in my library.

The book is perfect and arrived a full week earlier than expected. I am beyond satisfied. You guys are amazing!

good book! I bought it use because the new one is over \$300 which is taking advantage of students.

Item showed up on time as described and reasonably priced. Thank you very much.
