Crossword Puzzle Dictionary: Sixth Edition

Synopsis

More than 1/3 million answer wordsEasiest to useEasiest on the eyesHere is the work that made all other puzzle dictionaries obsolete. Its unique Instant Finder System saves you time-consuming searches through the long, jumbled paragraphs of words that are so common in other crossword puzzle dictionaries. Suppose your clue is a six-letter word for RAGE: just turn to that entry and your eye immediately picks out the bold number 6. Now you can pick your answer from just five words, ignoring the 32 others that can't fit. And note how the clear type and uncluttered format help make your search quicker and easier!

Customer Reviews

I got interested in crossword puzzles a year ago. Bought all the books. This is the best helper I tried. In the beginning I relied on it constantly. Now, I find that, through it, I have learned and can go it alone most of the time (which means Monday-Thursday and often on Sunday for those of you who do the NYT).

We bought the fifth edition back in 1986. The pages are worn thin, and have separated from the spine but we can't be without it. The BEST book of its kind available to ardent crossworders.

I have not found a crossword puzzle dictionary which compares. The words included are highly relevant and they are nicely organized into logical categories and subcategories. Even the Swanfeldt dictionary doesn't guarantee success with the NY Times crossword puzzle, but it will give you a fighting chance.

I had an older version of this book in paperback. I like the fact that they give the four letter words in a group, etc. This was a hardback version and very reasonable, although used. Good condition. Have found it very helpful, mostly because of the number of letters are all in one grouping. Used is the way to go.

I always work the Crossword Puzzle that comes in our Sunday paper. My old crossword puzzle dictionary was a paperback which was several yrs. old and it was falling apart. This hardcover book is perfect, and the dictionary is better than the last one I had - it's GREAT! I highly recommend this crossword puzzle dictionary!

This is a very poor product, and is inferior to the 4th Edition Hardcover that I am used to. It is a much smaller page with tiny type (font size); lacks the ease of readability that I had with the earlier edition. It is not worth buying at any price! I recommend that no one purchase this one.

I do a daily crossword in my local paper and this book has helped me get through it many times. I'm on my third one now because I wear them out about every 5 or 6 years from use, but I would recommend it to any crossword fan.

I look forward to doing crosswords every morning. I am retired and doing the crosswords assist me in keeping my mind active. This book is absolutely marvelous. I have used it so extensively that I had to cover it with tape from overuse. It is a wonderful book. I recommend it for any crossword fan.
