## Customer Reviews

The book listed no real strategies. The section on how to win was only 2 sentences (and they were not very informative). I just expected the bulk of the book to be about strategy but in actuality the majority of the book was just basic explanation of the game. Don't waste your money, you can get the rules to the game online for free.

a small and terribly bad written book. it doesn't discuss the baccarat variations and even the rules, despite being simple, get complicated after the author's lame explanations. very expensive to what it offers

DO NOT BUY. iT ONLY TELLS YOU HOW TO PLAY THE GAME. tHE TITLE IS A JOKE> iF ONE KNEW HOW TO WIN AT BACARRAY , ONE WOULD BE THE WEALTHIEST MAN ON EARTH. iT'S ALL BLIND LUCK

Fine for someone who just wants to know the rules but has no helpful information on how to play and win.
