Contemporary Property (American Casebook Series)

Synopsis

This title is a part of our CasebookPlus[®] offering as ISBN 9781634595421. Learn more at CasebookPlus.com. Designed for use in a four, five or six unit Property course, this casebook applies traditional property concepts in a distinctly modern context. The book begins with fundamental Property principles and concepts, followed by personal property with an introduction to intellectual property. Subsequent chapters cover present and future interests, concurrent estates, landlord and tenant law, real estate transactions, easements, covenants, and public land use regulation (including zoning, eminent domain and regulatory takings, and constitutional challenges based on due process, equal protection, freedom of speech and freedom of religion). The book is accompanied by a detailed Teacher's Manual.

Customer Reviews

This textbook is not very well written and is full of typos. The way it's organized was difficult to read and follow -- most of the chapters start with a brief discussion of the topic followed by a fairly long and detailed majority opinion and some concurring and dissenting opinions. It's not until you get to the "Notes & Questions" section following each of the cases that the authors explain concepts and ideas that appeared in the opinions themselves. Thus, when you're reading the case, it's difficult to understand the reasoning since the text hasn't yet given you the tools or framework for doing so.
