Customer Reviews

a good source of information for those on the road a lot

Very useful information. Understanding the officer's perspective may help in not receiving a traffic citation. I recommend this book to young and older drivers.

I've closed a 32 year career in law enforcement. This "book" is simplistic, poorly written, and gives poor advice. I wouldn't recommend this to anyone. I certainly wouldn't recommend it to friends or family. Don't waste your time reading this mess. Fortunately it was free, worth every penny I spent.
