The Value Of Hawaii: Knowing The Past, Shaping The Future (Biography Monographs)

Synopsis

How did we get here? Three-and-a-half-day school weeks. Prisoners farmed out to the mainland. Tent camps for the migratory homeless. A blinkered dependence on tourism and the military for virtually all economic activity. The steady degradation of already degraded land. Contempt for anyone employed in education, health, and social service. An almost theological belief in the evil of taxes. At a time when new leaders will be elected, and new solutions need to be found, the contributors to *The Value of Hawai'i* outline the causes of our current state and offer points of departure for a Hawai'i-wide debate on our future. The brief essays address a wide range of topics—education, the environment, Hawaiian issues, media, tourism, political culture, law, labor, economic planning, government, transportation, poverty—but the contributors share a belief that taking stock of where we are right now, what we need to change, and what we need to remember is a challenge that all of us must meet. Written for a general audience, *The Value of Hawai'i* provides a cluster of starting points for a larger community discussion of Hawai'i that should extend beyond the choices of the ballot box this year. Contributors: Carlos Andrade, Chad Blair, Kat Brady, Susan M. Chandler, Meda Chesney-Lind, Lowell Chun-Hoon, Tom Coffman, Sara L. Collins, Marilyn Cristofori, Henry Curtis, Kathy E. Ferguson, Chip Fletcher, Dana Naone Hall, Susan Hippensteele, Craig Howes, Karl Kim, Sumner La Croix, Ian Lind, Melody Kapilialoha MacKenzie, Mari Matsuda, Davianna McGregor, Neal Milner, Deane Neubauer, Jonathan Kay Kamakawiwo'ole Osorio, Charles Reppun, John P. Rosa, D. Kapua'ala Sproat, Ramsay Remigius Mahealani Taum, Patricia Tummons, Phyllis Turnbull, Trisha Kehaulani Watson.

Customer Reviews

Learn what is happening in Hawaii today. Our state struggles in every sector - and each piece in this book brings light to the dark corners. Ideas and thoughts from the true thinkers of our state. If you have an interest in learning what Hawaii struggles with in the early 21st Century, this is a perfect read.

"The Value Of Hawai'i" is a much needed look at the various political, econmic, social, and cultural issues facing the "Aloha State." While some readers may sense a certain political bias in a few of the articles, most of the authors in this book take pains to ensure that their short essays are not simply rants about Hawaii's problems. For both locals and non-residents, this book is a must-read!!

This book addresses the difficult issues that are too often swept aside by the "paradise" label. Honestly, this book is primarily of interest to residents or former residents who still care about the Hawaii back from the beaches and resorts. Not just the dark problems, but some real attempts at solutions here.

EXCELLENT!!
