# Jamaica In Black And White: Photography In Jamaica C.1845–c.1920: The David Boxer Collection

## Synopsis

The sixteen sequences in this remarkable book display the changing landscape and the built environments of Jamaica, the principal agricultural industries, and the Jamaican people. In the section titled Picturesque Jamaica, the ravishing beauty of the island captured by nineteenth-century practitioners is abundantly evident in breathtaking vistas of the famed tropical paradise, which Christopher Columbus described as the most beautiful island that has yet been seen. Jamaica's post-emancipation history is reflected in rare photographs of sites, personalities and events surrounding the so-called Morant Bay Rebellion of 1865, which form a significant sequence, as does the poignant penultimate section, which deals with the destruction of Kingston in the earthquake and fire that ravaged Jamaica's capital in 1907. The final sequence, which shows a new Kingston being rebuilt and developed, is a moving tribute to the resilience of the Jamaican people. This fascinating collection clearly demonstrates that historic photographs can be used as a sharp-edged historical tool, to analyse the evolution of what is now one of the most fascinatingly complex and vibrant societies in the world.

## Book Information

Hardcover: 304 pages

Publisher: Macmillan Caribbean (May 8, 2013)

Language: English

ISBN-10: 1405098872

ISBN-13: 978-1405098878

Product Dimensions: 1 x 9 x 11.2 inches

Shipping Weight: 3.3 pounds

## Customer Reviews

This book is filled w/ stunning pictures of a begone era in Jamaica. For anyone who wants to look at Jamaica's past & heritage this is a must. I gave it to a friend who was overjoyed & is sharing it w// her family & friends. Well worth the price!

Sincere gratitude to David Boxer for sharing rare historical photographs of Jamaica. It is very hard to find photographs of what Jamaica's environment used to look like from 1860-1960. This book includes old photographs of houses, great houses, families, landscapes, downtown streets, photos of the great earthquake of 1907 and beautiful parks. Who knew Downtown Kingston was once clean and beautiful. I hope one day David and Edward create a photography book on a Then and Now on Jamaica.

Excellent book. It was very informative. My family enjoyed it tremendously, both the young and the old. I will be purchasing more for gifts.

Very good collectors item, carries a brilliant history of what Jamaica was like. Helps you identify with your roots if you are Jamaican
